Life Pacific College

WOW JAM Mission Week is a missions trip for the whole family! If you are thinking about attending a WOW JAM Mission Week and have children - BRING THEM! It was a blessing to minister AS a family WITH my family!"

Justin Wiltjer

Youth Pastor, Community Church

"This trip has reminded me that I don't have to step far in order to step closer to the lost because they are so very close. God has given me a burden to reach the lost individuals that I encounter."

Chelsea
