

Kathy Hernandez, our Mission Weeks Coordinator, is anticipating a year like no other! She is already receiving requests from across the Nation for Youth Groups from several churches. If you and your family cannot come, would you consider sponsoring someone from your church or Youth Group? We'd never want to see someone miss such an opportunity because of costs. Those costs cover EVERYTHING but airfare to the outreach city, including food, lodging, local transportation, training materials, and training by some of the most respected leaders in our nation. For example, in past years we've been blessed by Dr. Jack Hayford, Joy Dawson, Bill Wilson, Michael Reagan, and John Pomeroy. You can register by going to our website and clicking on **Mission Week**. There is a Registration Form in PDF format that can be downloaded, completed, and sent into our office. You can also view a video of our Mission Weeks to give you a first-hand idea of the ministry.

In the past several years over 2,000 interns deepened their relationship with Christ, learned effective evangelism skills, worked with teams in intense ministry, and were challenged to share Jesus with others when they returned to their home communities. Many interns return each year, desiring to go deeper in training and experiencing hands-on ministry. Here is a quote from one of the interns: *"WOW JAM has completely changed the way I look at the people around my home. The change that I saw happen in all the lives down in L.A. and in N.Y. was truly incredible. They were harassed and helpless before, and have now been washed as white as snow by the waters of baptism. They come up out of the water a changed person glowing with the passion of Jesus. I will continue to attend WOW JAMS for as long as the Lord allows . . ."* –Thomas Hammond

We need you, your prayers, and your support as we reach the lost. In just three short weeks we leave for Louisiana to do **10 WOW JAMS** in the Gulf Coast Area for those impacted by Hurricane Katrina. We can't do this without you! Please let us hear from you and send in your best financial gifts possible.

God bless you!
