

MARCH 2008

"THOSE WHO WERE NEVER TOLD OF HIM – THEY'LL SEE HIM! THOSE WHO'VE NEVER
HEARD OF HIM, THEY'LL GET THE MESSAGE."

ROMANS 15:21

Dear Friends:

As I write to you this month, that scripture shouts of what 2008 is about – for me, for WOW, and for all of you who are partners in this ministry. Those individuals – each one is of great cost to Christ – are of vital importance, as He died for every single person. The price He paid was death. The way I figure it, everything I can do to reach those He died for is but a small sacrifice compared to His ultimate gift. I'm compelled. I'm ready. I'm only harnessed by the "time" in between each WOW JAM. *AND*, it's no easy thing to be "in the harness!" If I could, I'd be out there every day, along with my family, getting the message to every person.

Realistically, there is a whole lot more that goes into our "getting out there" – days of planning, hours of administrative details, hours of pursuing every possible source of funding – donor support, grant funding, giving by corporations and businesses, church partnerships, and the support of other ministry organizations. The time involved is extensive, can be exhausting, *BUT* it is worth it! Every dollar given goes to reach the "one" that Jesus died for.

We will be kicking off with 7 WOW JAMS in a row with three baptisms in New Orleans and Baton Rouge. We have added a fifth day of WOW JAMS in Fresno, Central Valley. New York City is looking strong with new partners on board like Youth for Christ. I have been invited to be the keynote speaker for a convention of 5,000 pastors in Brazil. They really want WOW JAMS down there. Please pray as Linda and I and our family, along with Kathy, go down to Brazil for 10 days in April.

As I write this, we're ALL in that "can't-wait-to-get-to-the-WOW JAMS" time zone. I'm writing you during this time to invite your prayer support, your financial support, and your involvement in this year's outreaches. There is no doubt about the fact that we could not do this without you. Please give the best gift you can give this month. As we launch this new year of over 40 WOW JAMS, your early giving will make a huge difference. Check out our website for details of dates and locations of our WOW JAMS.

At the top of this letter is this year's new logo. It will be seen on brochures, flyers, banners, and on our truck throughout 2008. It will bring HOPE to those who see it and encourage MANY to come out to the WOW JAMS where they will receive Jesus! Pray for us. It means so much to Linda and me and the whole staff.

God bless you,

Stephen Tavani, Founder and President
